WE- Wellness Club

"Exercise not only changes your body. It changes your mind, your body and your mood."

-Anonymous

Work Education (WE) each month is planned in such a way that it helps children learn a skill in a fun and interesting way. September month's theme was 'Wellness Club'. To maintain a healthy lifestyle we should include some exercise as well as healthy diet in our daily routine. Fitness is the key factor for a healthy lifestyle. Health and fitness plays a key role in gaining holistic development for our Students. Children did different activities each week which made them understand the importance of Fitness. Students enjoyed Aerobics and Dance Activity which helped them to increase muscular strength, endurance and motor fitness. Yoga session was conducted to relax their mind and improve their ability to concentrate. They also learned many Asanas which they can practice at home. Physical activities are equally important for children and same was imbibed in them through the Wellness Club. Little Dipsites were thrilled after the whole month of exciting and fun activities.

Teacher's Day

"The influence of teachers extends beyond the classrooms, well into the future."

- F. Sionil Jose

Teacher's Day is celebrated every year on 5th September on the birth anniversary of Dr Sarvepalli Radhakrishnan to acknowledge the contribution of teachers in the society. Teachers are the pillars behind our success, and we at DPS, GBN left no stone unturned to give regards to our respected Teachers. To mark this Day a Special Assembly was organized by the Students of Grade I. It showcased how Teachers' help children in being successful in their lives by encouraging them to follow their dreams and work in their own interest areas. It was a perfect mix of Music, Dance and Skit, which was dedicated to the beloved teachers. The Assembly was loved by all and made this Day more special. The Day was full of smiles and laughter echoing in the corridors of the School. Students enjoyed a Class Party and they were thrilled to share their favorite food along with their teachers. The Little Ones made this Day much more exciting by singing, dancing and reading poems for their lovely Teachers. Each moment spent was special and memorable.

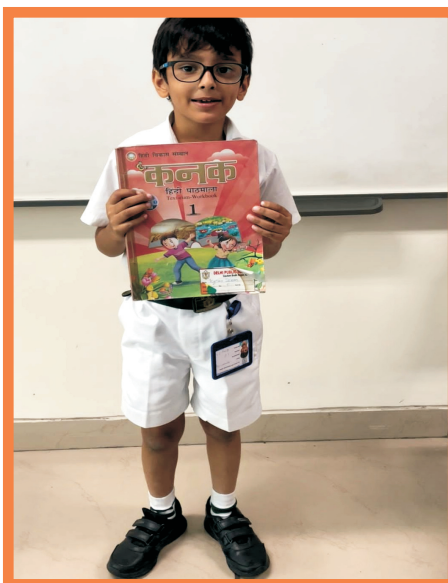

Hindi Diwas

"Hindi is the soul of Indian culture."

-Kamlapati Tripathi

Hindi is the simplest source of expression in our country. It is ranked as the third most spoken language in the World because of its values and uniqueness. We celebrate this day every year to honour and give respect to our pride. To commemorate the importance of this Day, Students of Grades 1 and 2 celebrated Hindi Diwas on 14th September, 2022 with great fervour and joy. They were briefed about the significance of this Day, followed by an intriguing activity that helped them to showcase their eloquence and Oratory skills. Students shared their views and thoughts by reciting lines on the given objects. It was a delight to see our Young Language Enthusiasts taking part in the activity with eagerness and zeal.

Kidzania Trip

'Movements captured, memories packed, happiness recorded, friends travelled...what fun we had!'

Excursions are a great way for students to rejuvenate themselves by taking a break from their mundane routines. One can bond and cherish the times spent together with their friends. Keeping the same in mind, a fun-filled trip to an interactive theme park 'Kidzania' was planned for the Students of Grades 1 and 2 on 23rd September 2022, where they participated in numerous activities and had scrumptious meals. Furthermore, it inspired and educated the children through real-life role-playing activities by blending reality with entertainment. Happy faces were captured while they were having an enjoyable time with their buddies. It was an amusing experience that our Students will store in their memorabilia forever.
