

Delhi Public School Gautam Buddha Nagar

Early Buds, Nursery, K1 & K2

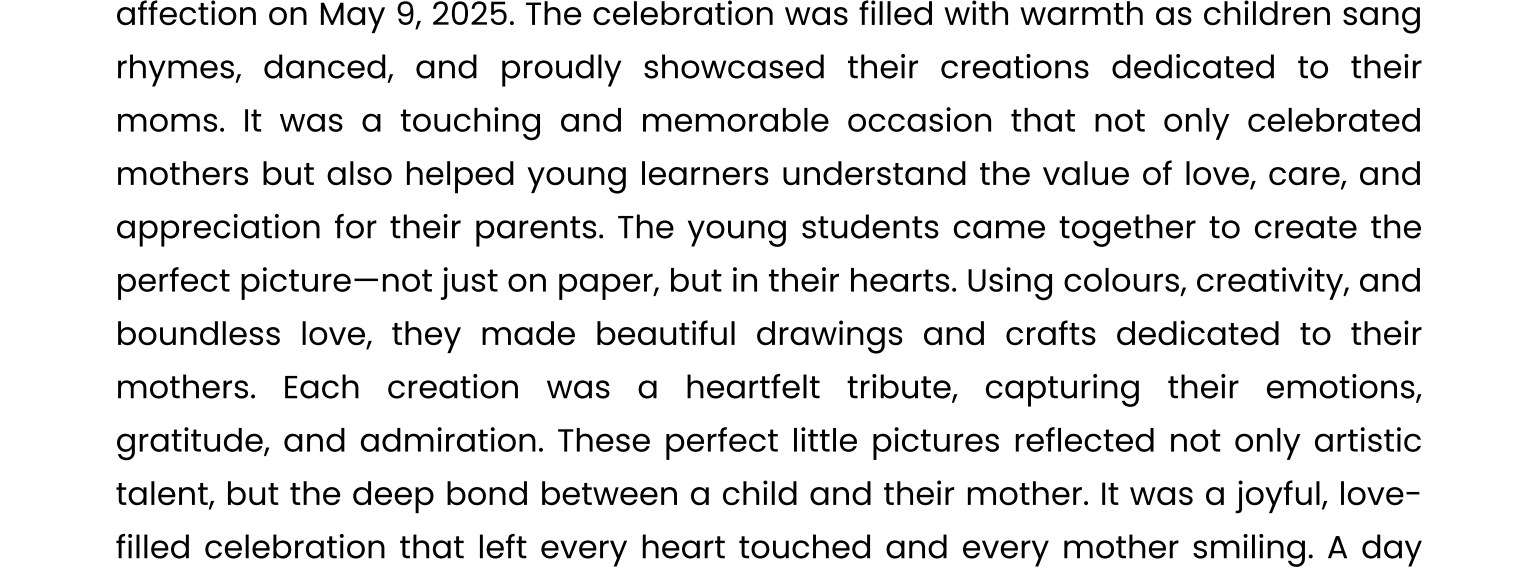

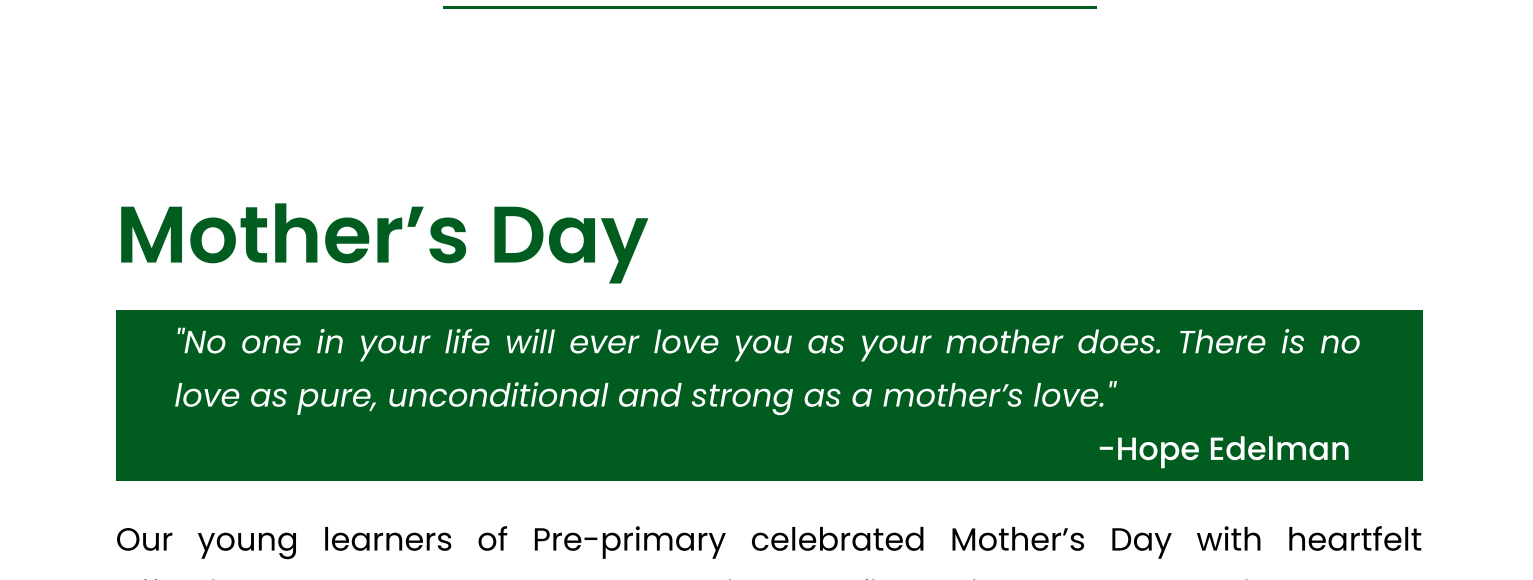

Session: 2025-26

International Dance Day

"Great dancers are not great because of their technique; they are great because of their passion." - Martha Graham

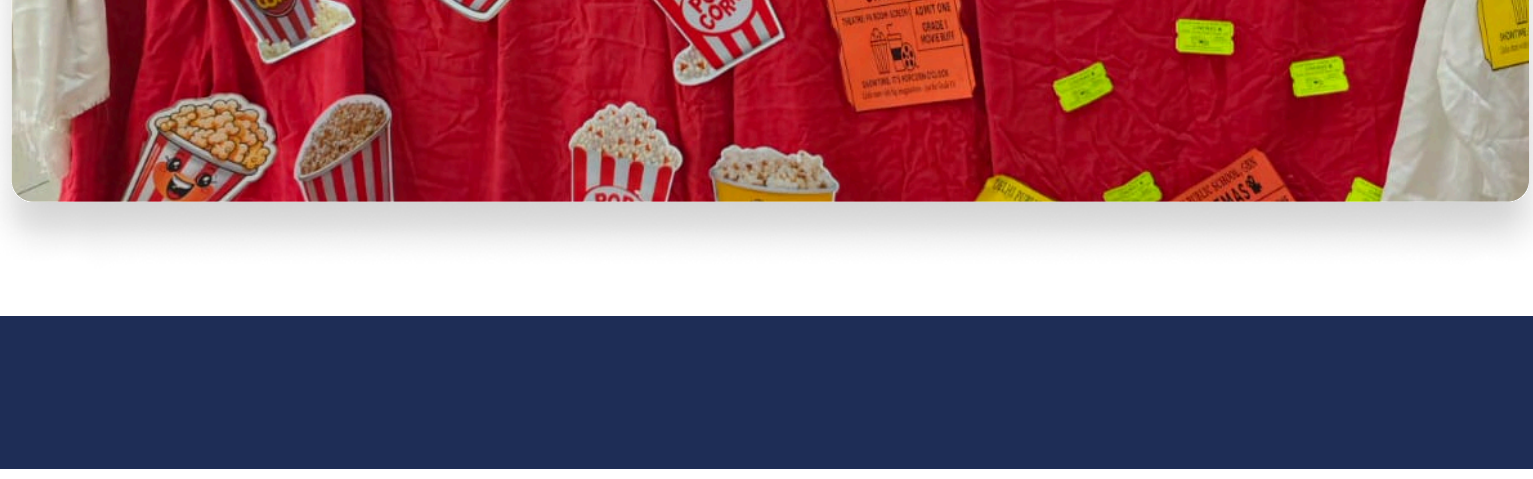

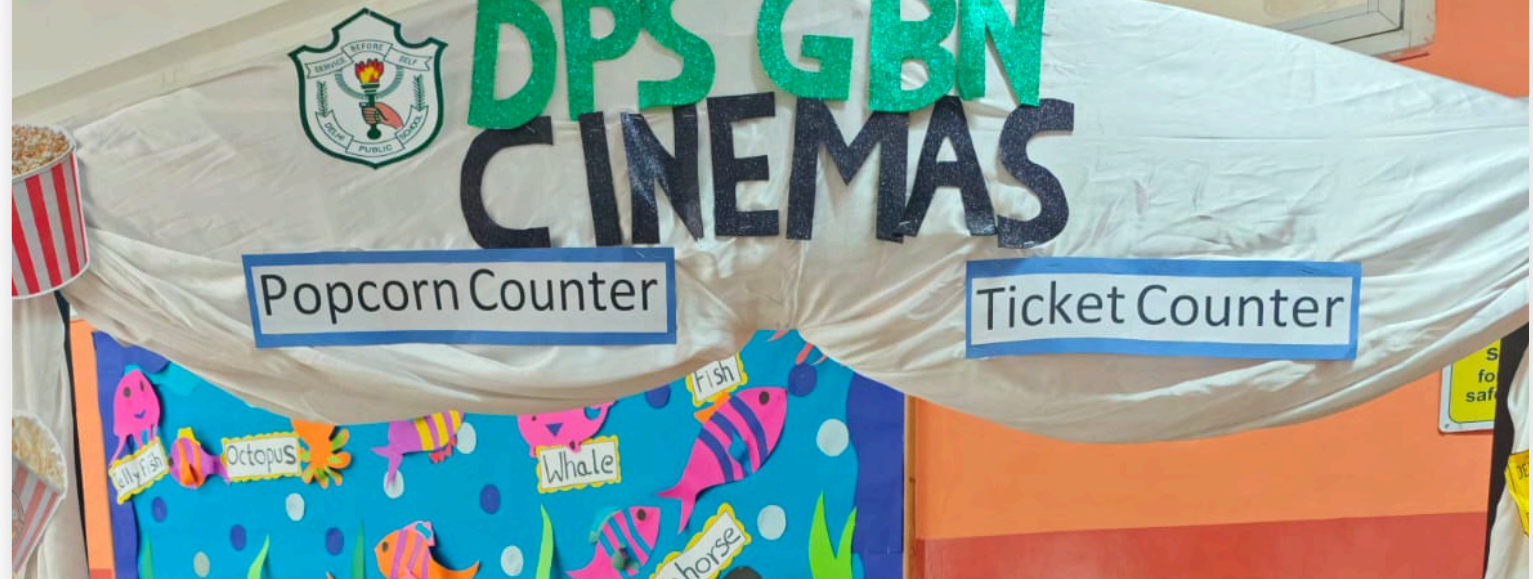

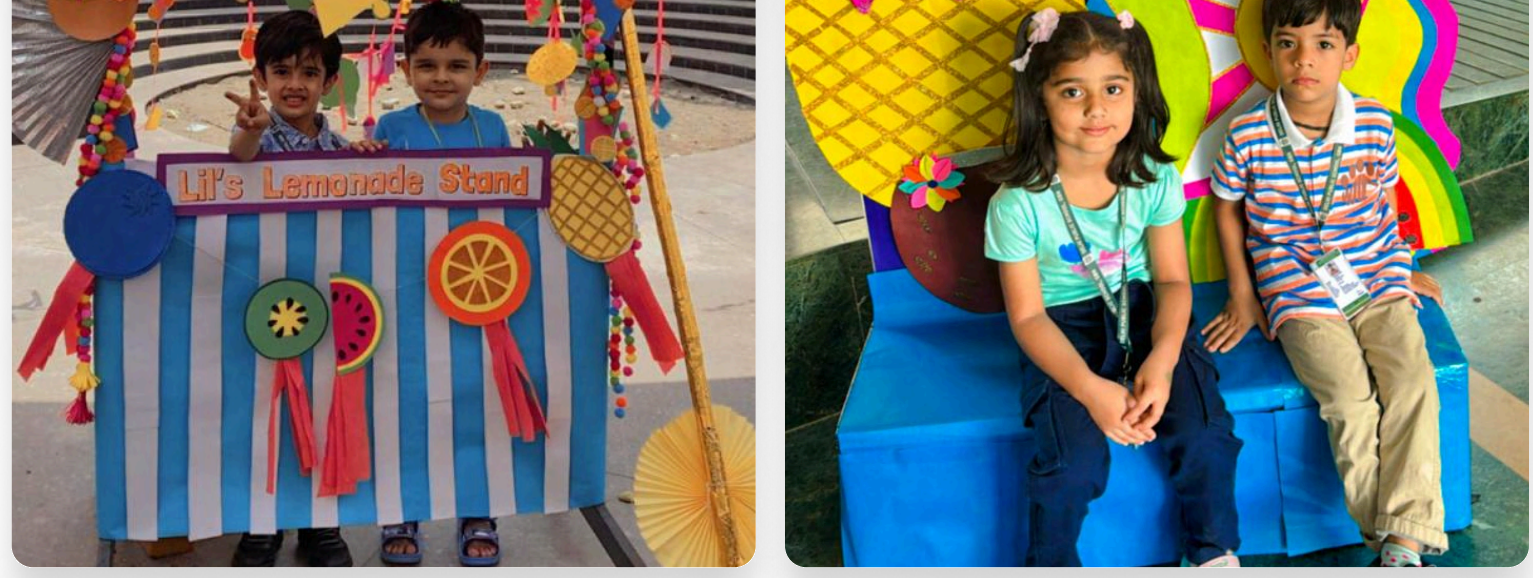

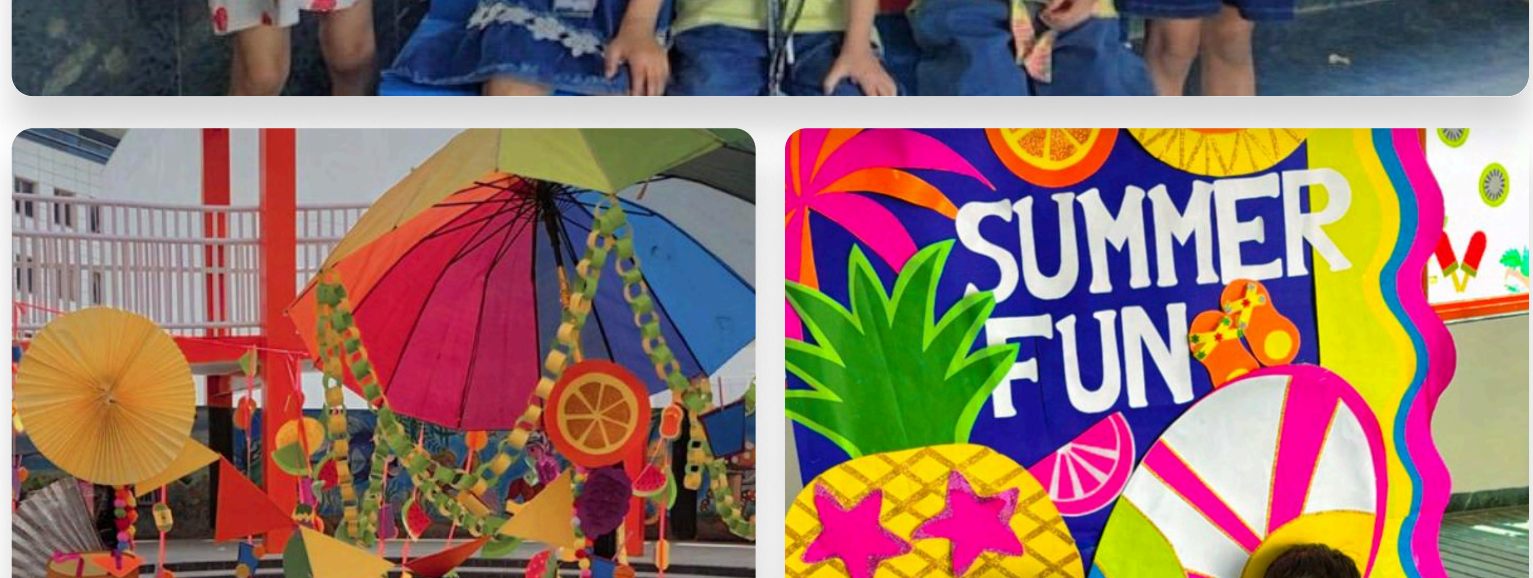

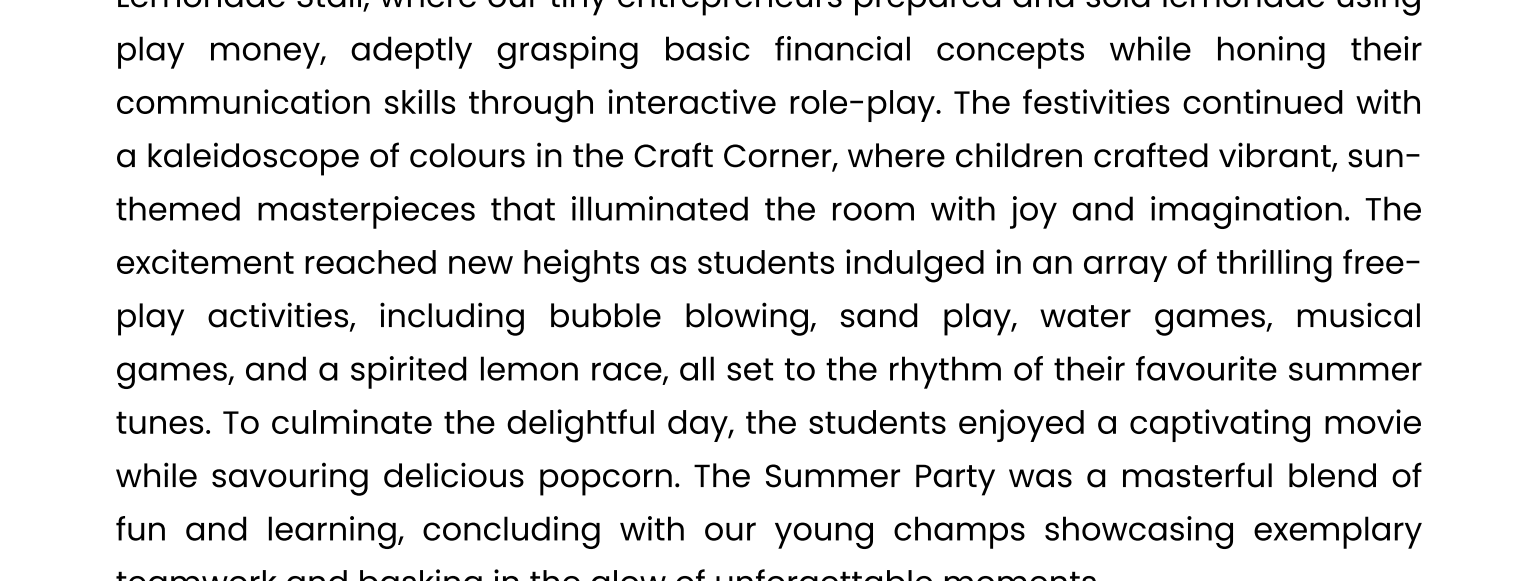

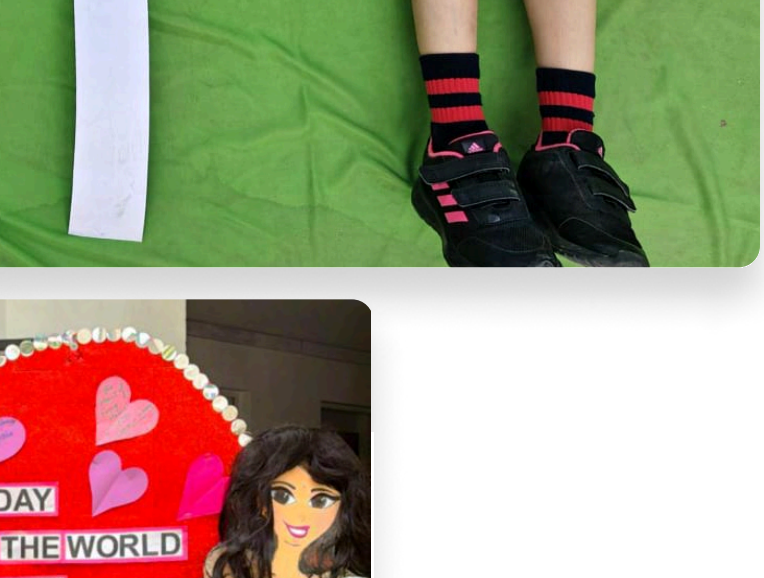

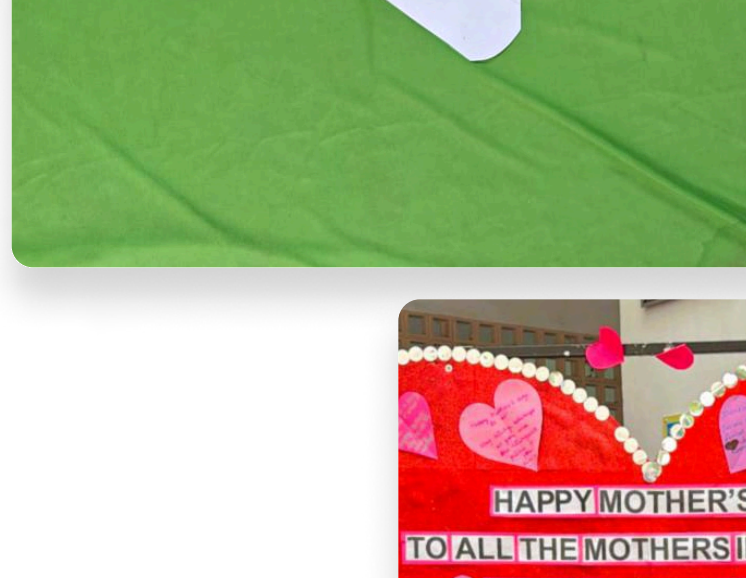

Observed globally on April 29, 2025, the Pre-primary Wing of DPS, GBN celebrated International Dance Day with great excitement & vibrant performances, showcasing traditional dances from different Indian states, displaying rich cultural diversity. Our little performers brightened the stage with the energetic beats of Punjabi Bhangra, the elegant movements of Rajasthani Ghoomar, the spirited steps of Gujarati Garba, and the cheerful Fugdi dance from Goa. Dressed in bright, beautiful and colourful traditional attire, the children danced with immense enthusiasm and charm. The celebration served as a joyful exploration of India's cultural diversity, fostering a sense of pride, confidence, and creativity among the little ones. It was a truly delightful and memorable event, filled with rhythm, colour, and the joyful spirit of dance.

Mother's Day

"No one in your life will ever love you as your mother does. There is no love as pure, unconditional and strong as a mother's love." -Hope Edelman

Our young learners of Pre-primary celebrated Mother's Day with heartfelt affection on May 9, 2025. The celebration was filled with warmth as children sang rhymes, danced, and proudly showcased their creations dedicated to their moms. It was a touching and memorable occasion that not only celebrated mothers but also helped young learners understand the value of love, care, and appreciation for their parents. The young students came together to create the perfect picture—not just on paper, but in their hearts. Using colours, creativity, and boundless love, they made beautiful drawings and crafts dedicated to their mothers. Each creation was a heartfelt tribute, capturing their emotions, gratitude, and admiration. These perfect little pictures reflected not only artistic talent, but the deep bond between a child and their mother. It was a joyful, love-filled celebration that left every heart touched and every mother smiling. A day full of smiles, hugs, and sweet gestures made it truly special for all.

Summer Party

"Children see magic because they look for it." - Christopher Moore

The radiant sunshine was eclipsed only by the beaming smiles of our Pre-primary stars, who made this summer celebration on May 8, 2025, truly unforgettable. The day was meticulously planned, featuring a plethora of engaging activities that allowed our young learners to flourish and unleash their creativity. Students of Grade Nursery celebrated Yellow day and the highlight of the event was the Lemonade Stall, where our tiny entrepreneurs prepared and sold lemonade using play money, adeptly grasping basic financial concepts while honing their communication skills through interactive role-play. The festivities continued with a kaleidoscope of colours in the Craft Corner, where children crafted vibrant, sun-themed masterpieces that illuminated the room with joy and imagination. The excitement reached new heights as students indulged in an array of thrilling free-play activities, including bubble blowing, sand play, water games, musical games, and a spirited lemon race, all set to the rhythm of their favourite summer tunes. To culminate the delightful day, the students enjoyed a captivating movie while savouring delicious popcorn. The Summer Party was a masterful blend of fun and learning, concluding with our young champs showcasing exemplary teamwork and basking in the glow of unforgettable moments.
